II. DETAILS OF THE EVENTS AND LOGISTICS FOR THE MEETINGS

Global Landscapes Forum | Paris
Launching the new development and climate agenda
5-6 December 2015

1. The GLF 2015

Over the past two years, the Global Landscapes Forum has evolved into the world's leading platform for discussing land-use issues. In Paris, the Forum will bring together 2500 stakeholders from across sectors, including forestry, agriculture, water, energy, law and finance.

The Forum is organized by a cross-sectoral consortium of leading international organizations led by the Center for International Forestry Research (CIFOR). Over 100 organizations from across the globe will host Discussion Forums, Launchpads, LandscapesLabs and be part of a Thematic pavillion.

The 2015 Forum will take place on 5-6 December at the Palais des Congrès in Paris, on the sidelines of the UNFCCC COP21. Around 2,500 people are expected to join the Forum. Details of the programme see *http://www.landscapes.org/glf-2015/about/*

For registrations to the GLF on behalf of master ACT, please ask Didier Pillot for seats

2. The Youth in Landscape initiative

http://www.landscapes.org/glf-2015/youth-in-landscapes-initiative/

50 outstanding young professionals have been selected through a competitive application pro They will then pitch these 5 solutions during the Global Landscapes Forum to a group of esteemed panellists for live feedback (modelled off the British TV series “Dragon’s Den”).

The dragons den will take place on Sunday 6 December at 14:30 – 16:00 CET

Location of all the meetings with the Youth in landcapes : Beeotop, 14 boulevard de Douaumont - 75017 Paris.

Easiest way to get there is to take the metro line 13 to the station Porte de Clichy and then it’s a short walk (see the map above).

3. Campus France, Espace Generation Climat

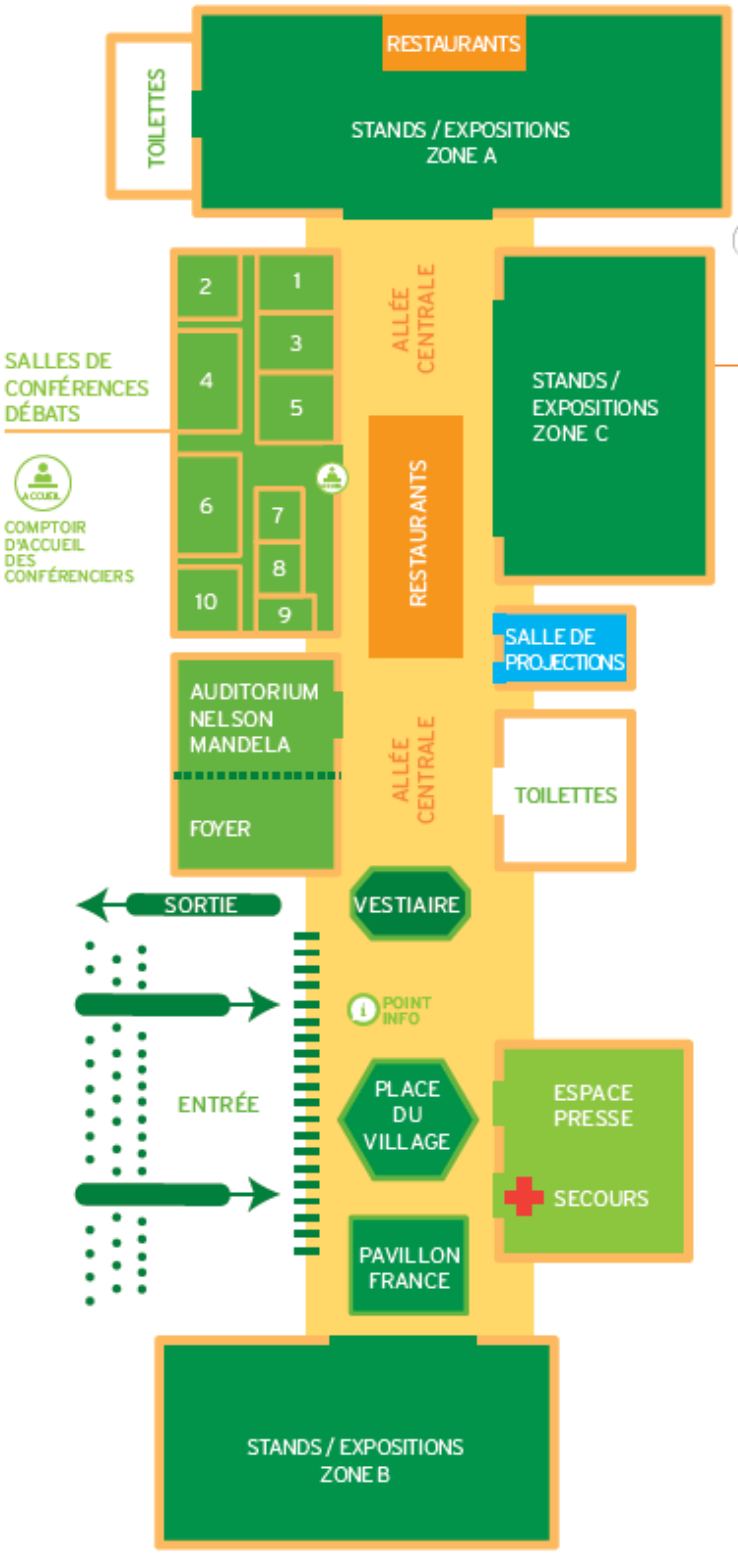

The Campus France Exhibition booth stands in area C of the exhibition building “Generation Climat

340 French and International Organisations, especially from civil society, present 340 labelled projects for the plant.

”

LE PLAN DES ESPACES GÉNÉRATIONS CLIMAT

Les espaces Générations climat sont accessibles :

- aux personnes à mobilité réduite
- aux personnes malentendantes

Les espaces Générations climat sont entièrement couverts par le wifi

Des prises électriques sont à la disposition de tous dans les espaces de travail partagés de l'allée centrale des espaces Générations climat
