

H2020 CSA (coordination and support action) grants

What?

Funding available for actions consisting primarily of accompanying measures, such as the coordination and networking of research and innovation projects, programmes and policies (e.g. training, dissemination, exploitation, standardization, policy dialogues, networking and coordination between programmes in different countries etc.). Funding for research and innovation per se not covered.

Requirements:

General features/requirements for CSA grants:

- ♣ Multi/mono -beneficiary action
- ♣ Maximum funding: None —unless specified in the call
- ♣ Maximum duration: None —unless specified in the call
- ♣ Sub-types: Lump sum grant possible if provided in the call

Beneficiaries (composition of the consortium):

- ♣ Minimum 1 beneficiary from 1 EU Member State (MS) or H2020 associated country (AC)
- ♣ Additional beneficiaries/linked third parties from any country allowed (with EU funding, normally only if listed in General Annex A to the Main Work Programme)

Funding:

Type of grant: reimbursement of costs grant

Forms of costs:

Usually: actual costs + unit cost (average personnel costs; specific unit costs, if option applies) + flat-rate costs (indirect costs)

For lump sum grants: Lump sum

Budget categories:

Usually:

- A. direct personnel costs
- B. direct costs of subcontracting
- C. direct costs of providing financial support to third parties (if option applies)
- D. other direct costs
- E. indirect costs
- F. specific cost categories (if option applies)

For lump sum grants:

- A. costs for the action (direct and indirect costs)

Funding rate:

100% of eligible costs (unless the call provides exceptionally for another rate).
