

Deploying Interactive On-line Networking Platform for Improving Quality and Relevance of African University Graduates to Labour Markets

Objective:

- Enhance capacity of African Universities to produce high performing graduates responsive to the demands in the agricultural labour markets
- Interactive online platform - complement to lecturers face to face learning
- supervision, mentoring and networking of alumni and university staff with community of researchers, academics, professionals and labour market

Partners:

- 3 Eastern African Universities: Egerton University (coordinator), Jomo Kenyatta, Makerere
- RUFORUM
- AGRINATURA

Duration: 42 months (started February 2014)
