

31th March 2021, Uppsala, Sweden

General Assembly announcement

Dear Agrinatura Association,

In current situation with persistent COVID-19 pandemics, the Agrinatura Board of Directors made decision that: “the General Assembly 2021 will be held online”. This decision, exclusively for the General Assembly 2021, was taken because of the unforeseeable and complex situation required exceptional action.

Agrinatura Board of Directors will instead conduct the meeting in form of an electronic vote for business matters. The vote will be open during the period early April until 15 May. We will also have a one and half hour online Business meeting on the 21st May 2021 followed by one and half hour Workshop.

Voting will be conducted electronically. Each member organisation’s representative will vote on the following points, sign the form, and return to secretariat@agrinatura-eu.eu. The votes will be approved by a simple majority of votes cast.

Voting will be conducted on the following points:

- Approval of the Minutes from last General Assembly Online meeting
- Financial report 2020 (documentation attached)
- Budget 2021 (documentation attached)
- New Board of Directors Members (documentation attached)
- Changes in Membership (documentation attached)

All necessary documentation will be provided in advance by email (attachment to this document) or at our [websites](#). Secretary General will be at your disposition for any questions.

By signing the attached document and returning to secretariat@agrinatura-eu.eu. You hereby give informed consent to the voting of the General Assembly in this electronic form.

Please send the signed voting document no later than 15th May 2021. All votes will be then counted, and results will be announced at the GA online event on 21st May, 2021.

Carolyn Glynn,
President Agrinatura

Tereza Slámová,
Secretary General
